Comments:

9/30/2004 - Sent letter releasing operator from further reclamation at this site. The EPA cleanup project has done reclamation. The permit is closed and the file retired.

9/29/2004 - Site inspection performed to determine whether this site is located on the EPA cleanup area. The site was cleaned up by the EPA, reclamation is completed and DOGM now closes the file and releases the operator from this permit.

8/18/2004 - Daron Haddock spoke with Rick Schreiber, last remaining director of Chief Consolidated Mining, regarding failure to pay permit fees. Mr. Schreiber said the companies were not in bankruptcy, but EPA has been working with them to complete superfund cleanup of the Eureka area. If they were to go into bankruptcy, the EPA would go after any funds they had. They hope to exchange land and rock for
